## Dance music 90's hits playlist

Mr. Matté/Wikimedia Commons The number 90 is spelled ninety. Some people mistakenly spell it ninty, dropping the “e,” but this spelling is incorrect. An even number, 90 is also a unitary perfect number, semiperfect number, pronic number, harshad number, and Perrin number. The numbers 1, 2, 3, 5, 6, 9, 10, 15, 18, 30, 45 and 90 are all factors of 90. The number 90 is important throughout the world of sports, ranging from field regulations to jersey numbers. In Major League Baseball, each base is 90 feet away from the other, meaning the infield is a perfect square of 90 feet on each side. Professional soccer matches are 90 minutes long and divided into two 45-minute halves. In the NFL, 2002 Defensive Rookie of the Year and seven-time Pro Bowler Julius Peppers is one of the most notable players to ever wear the number 90 on his uniform. In NASCAR, drivers Dick Brooks and Jody Ridley were two of the most famous drivers of the number 90 car. The Number 90 in SportsThe Number 90 in ScienceOn the periodic table, thorium (Th) is assigned the number 90. It's a radioactive metal that was discovered in 1828 and was first used to create a gas mantle. The Number 90 in GeometryIn geometry, a right angle is exactly 90 degrees. A right-angled triangle is when a triangle has one angle that is a right angle or 90 degrees. If all of a triangle's angles are less than 90 degrees, it's considered an acute triangle. If one angle of a triangle is larger than 90 degrees, it's considered an obtuse triangle. The Number 90 in Geography The latitude for both the North Pole and South Pole is 90 degrees. To call Turkey internationally, one must first dial +90. In the United States, Interstate 90 is the longest interstate highway in the country. It runs across the northern part of the country from Seattle to Boston. It also runs through major cities, like Chicago, Cleveland and Buffalo, and 13 states. The Number 90 in Religion The number 90 is mentioned at least five times in the Christian Bible. Luke 1:56 mentions that Mary stayed with Elizabeth for three months or 90 days before she gave birth to John the Baptist. In the Jewish Torah, it's mentioned that Abraham is 90 and 9 years old at the time of his circumcision. Chapter 90 of the Qur'an is called Al-Balad. The Number 90 in Health The number 90 plays an important role in blood pressure readings. A systolic number (the top number) below 90 is considered low blood pressure, while a diastolic number (the bottom number) above 90 is considered high blood pressure. Famous People Who Lived to Age 90 British Prime Minister Winston Churchill died at age 90 in 1965. Authors Laura Ingalls Wilder and Upton Sinclair also died at age 90. Other famous people who lived to this age include Herbert Hoover, Florence Nightingale, Colonel Harland Sanders, Clara Barton, Yogi Berra, Chuck Berry, George Martin, Marlene Dietrich, Paul Harvey, Don Rickles, Jack Klugman, and Richard Attenborough. MORE FROM REFERENCE.COM Fer Gregory/Shutterstock Ah, the 90's. The decade that brought us the Spice Girls, Jennifer Aniston's hair, Tamagotchis and Sea Monkeys. Yes, it was a great time and there were also some life changing movies. There were tear-jerkers, comedies and some jump out of your seat thrillers. Netflix is a treasure chest of binge-worthy TV shows and great movies. Sit back, relax and let us fill your calendar by showing you 90's movies you have to watch currently on Netflix. ArmageddonBruce Willis, Ben Affleck, and Liv Tyler deliver brilliant performances in this action-packed movie. When scientists discover an asteroid is on course to hit earth, NASA is left to save the world. They recruit Bruce Willis's team of misfit deep core diggers to embark on a journey they might never return from. There's also a "Papa don't preach" themed romance between Affleck and Tyler. Forrest GumpIf you haven't seen Forrest Gump, then where have you been? It's one of the most famous tearjerkers of all time and Tom Hanks gives the performance of his career. With an IQ of 75, Forrest sees the world in his own unique way. Taking viewers back through poignant moments of his life, those around him see the value of strength, bravery, love and finding hope in the darkest of places. Schindler's ListSteven Spielberg's masterpiece takes us back to Nazi Germany and the devastating effects of the Holocaust. It's based on the life of Oskar Schindler, a cruel businessman turned hero to the Jewish people. After witnessing their treatment by the Germans, he vows to save as many as he can. The all-star cast includes Ralph Fiennes and Liam Neeson. It's shot in black and white, which somehow makes the film more poignant. Homeward Bound: The Incredible JourneyWe're tearing up just thinking about this one. Animal lovers can't miss Homeward Bound and you're likely to be cuddling up with your cute kitten or pampered pooch while watching it. Shadow, Chance and Sassy are left behind when their owners move to San Francisco, but man's best friend won't forget them. The trio embarks on a journey full of danger to reunite with their owners. Jurassic ParkThere were three Jurassic Park movies made in the 90's, but nothing beats the first. It's another one of Spielberg's masterpieces and takes you to a dinosaur theme park. Scientists have cloned DNA of the prehistoric beasts and open a park for the public to witness history's greatest predators. What can go wrong, right? Everything...and it's great to watch the drama unfold. Definitely one for the whole family. PocahontasDisney got it right with this beautiful movie. Pocahontas, a native American princess, falls for British traveler John Smith. She teaches him about the world, nature and most importantly how to love. It's a great movie with an impressive soundtrack to go with it. It's inspired by a true story and the princess's best friend Meeka, a raccoon, brings some great comedy. The Sixth SenseIn the words of a young Haley Joel Osment: "I see dead people". It's one of the most famous movie lines of the 90's and it was even nominated for an Oscar. Bruce Willis plays a child psychologist trying to help a tortured young boy separate the living from the dead. It's full of suspense, intrigue and brilliant performances from Willis and Osment.
